Royal Credit Union

Creating a positive impact in the lives we touch for more than 50 years. Royal Credit Union was made up of just 100 Members when it was organized in April 1964 to serve the employees of Uniroyal and their families. With more than 170,000 Members today, and with two offices right here in Menomonie we have part of the community since 2009. We are a Proud Community Partner in Menomonie, Dunn County, and beyond.

Synergy Cooperative

Formerly Cedar Country Cooperative, Synergy Cooperative is the new age in cooperation, servicing the past, present and future generations. We strive to be our customers preferred source through engaged employees, commitment to our communities and strategic investments. Thank you for your loyalty and continued patronage.

WESTconsin Credit Union

Founded in 1939, WESTconsin Credit Union is one of the region's strongest financial services provider. Our history takes us back to primarily operating as Menomonie Farmers Credit Union. WESTconsin has fifteen office locations, five fully-functional high school offices, including one right here in Menomonie.

West Wisconsin Telcom
